GOALS

- To honor the memory of the YouTuber.
- Create a website that reflects their impact and celebrates their life and legacy.
- Possibly include features like video tributes, quotes, and a gallery.

PLAN

- Use VS Code as your code editor to create the website, and use Figma for the layout
- Apply the knowledge you learned from W3Schools (HTML, CSS, JavaScript, etc.) to design and develop the site.
- Focus on clean and respectful design that reflects the YouTuber's personality or style.
